The shareholders and founders of the **Physio Clinics** network have entered into a partnership with **Decalia Capital**, aiming at strengthening Physio Clinics' growth and presence in the ambulatory healthcare sector in Switzerland.

Physio Clinics manages and operates physiotherapy clinics in French-speaking Switzerland. From the other side, Decalia Capital is an independent private equity investor present in Geneva and Zurich.

[Walder Wyss](#) advised the shareholders of Physio Clinics. The team was led by **Alexandre Both** (partner, m&a, pictured) and included **Grégoire Henriod** (managing associate, m&a) and **Céline Squaratti** (associate, employment).
