Wenger Vieli has acted as Swiss legal counsel of **Verium** on the closing of its first continuation vehicle Verium I SCSp regarding **Toradex Group** and **MiT Energie Holding** at CHF 120 million.

Verium I SCSp was capitalised by a group of experienced secondary investors led by **Headway Capital**. **Kline Hill Partners** acted as co-lead on the transaction and **UBS** Asset Management was a syndicate investor in the vehicle.

The [Wenger Vieli](#) team was led by partner **Beat Speck** (m&a / corporate, pictured) and included **Anna Tomaschek** (associate, m&a / corporate), **Claudia Keller** (counsel, IP/IT), **Alessa Waibel** (associate, financial services), **Sophia Hartwig** (associate, real estate), **Dominique Roos** (associate, commercial / technology and media), **Mark Stocker** (associate, employment), associates **Dominik Rietiker** and **Philippe Baumann** (both m&a / corporate), **Andrea Christen** (associate, notary services) as well as junior lawyers **Bianca Schweikart** and **Una Paunovic** (both m&a / corporate).
