[Wenger Vieli](#) has advised the shareholders of **MENU Technologies** on all Swiss legal and tax aspects in a cross-border transaction whereby MENU has become part of the NYSE listed PAR Technology Corp. group.

Launched in 2014 as an innovative IT start-up in Switzerland, MENU has grown into a strong and sustainable company that enables sophisticated ecommerce for restaurant brands. As part of PAR Technology, the company is striving to support restaurant chains in enhancing customer experience and boosting their growth worldwide.

The team was led by partner **Pascal Honold** (m&a. pictured) and included partner **Dominik Bürgy** (tax), **Claudia Keller** (counsel, IP), **Patrick Näf** (senior associate, employment law), **Jonas Bühlmann** (senior associate, tax), **Kevin Vangehr** (associate, m&a), **Alessa Waibel** (associate, financial services), **Allegra Margelisch** (junior lawyer, m&a).
