Moscow Exchange, Russia's largest securities exchange group, acquired a stake in **BierbaumPro**, a Switzerland-based company which, through its wholly-owned Russian subsidiary NTPProgress, develops and owns an e-fx NTPro trading platform.

The transaction aligns with the Moscow Exchange growth strategy and will enable it to provide flexible FX trading solutions to their clients. Post-acquisition, Moscow Exchange will continue to develop the NTPro platform and the existing NTPProgress team.

The team

White & Case in Moscow [advised](#) Moscow Exchange on the transaction. The team was led by partner **Nikolay Feoktistov** and included partner **Andrei Dontsov**, counsel **Adam Smith** and associates **Evgeny Chernyavsky**, **Alexander Karmalita** and **Valery Lavrov**.
