The founders of the **zahnarztzentrum.ch Group** - one of the largest provider of dental services in Switzerland and currently operates 34 locations - entered into a share purchase agreement with **Medbase**, a subsidiary of Migros, regarding the sale of a majority stake of the zahnarztzentrum.ch Group. The transaction is subject to approval by the Swiss merger control authorities. Medbase, an outpatient healthcare provider in Switzerland, complements its portfolio of medical care with dentistry services with this acquisition.

The team
